

PRODUCT DATA SHEET

Waylube-68

(Slide way Lubrication Oil)

Lubrall's Waylube -68 is a high-quality slide way lubrication oil specifically designed for industrial equipment.

Here are some key features and benefits of Waylube -68:

- 1) **Excellent Load-Carrying Capacity:** Waylube -68 is formulated to provide exceptional load-carrying capacity, ensuring smooth and reliable operation of slide ways under heavy loads.
- 2) **Superior Anti-Wear Properties:** This lubrication oil offers superior anti-wear properties, protecting slide ways from wear and extending the life of industrial equipment.
- 3) **Good Adhesive Properties:** Waylube -68 has good adhesive properties, ensuring that the lubricant stays in place and provides continuous lubrication to slide ways, even under high-speed and high-load conditions.
- 4) **Resistance to Oxidation and Corrosion:** It is resistant to oxidation and corrosion, providing long-term protection to slide ways and reducing maintenance requirements. **Good Demulsibility:** Waylube -68 has good demulsibility, which means it separates easily from water, ensuring that the lubricant continues to provide effective lubrication even in the presence of water contamination.
- 5) **Suitable for a Wide Range of Industrial Equipment:** This lubrication oil is suitable for use in a wide range of industrial equipment, including machine tools, presses, and other equipment with slide ways. Overall, Lubrall's Waylube -68 is a high-performance slide way lubrication oil that offers excellent protection, longevity, and reliability for industrial equipment's slide ways..

Specification

1	Colour	Yellow
2	Density @29	0.880-0.900
3	Viscosity	<60Cst
4	Flash Point	>180 ⁰ C
5	Corrosion Test	Still – Nill Aluminium -Nill
6	EP addtive	Added
7	Easter	Absent
8	Sulphar	Absent

Packing: - 210 Liter drum.

NON-WARRANTY: The information in this bulletin is based on our experience and tests which we believe to be reliable, but offer no guarantee and accept no responsibility for operations not under our direct control.
